

ACTIVITY BOOKING - By booking an activity via a leader or on the website, you agree to pay for your child's place, even if, for whatever reason she or he drops out nearer the time (unless a replacement can be found).

This is because generally with activities there is quite a lot of expenditure up front which we have to pay some time before the event starts, and people dropping out a few days before means we are unlikely to be able to recover that money. We feel it is not fair that the other attendees should have to subsidise those that don't turn up.

Activites Spring 2018

North Mymms Youth Project

This is a 'web safe' version so all logistical information (Date/time/venue/price etc) has been removed.

Book activities via the members link on <http://www.nmyouth.org.uk>

Laser Mayhem

3 hours of laser tag (probably around 10 different games) around a specially built site in Essex. All guns and equipment provided. Are you good enough to beat the leaders? Could you drive a minibus for us to get there?

Table Tennis

We'll arrange a mini competition between those that come along as well as playing other fun games all based around table tennis!

GEEK Fest

VR. Consoles. Technology. Games. Minecraft. And more! If you like the sound of any of the above, you should come with us to the annual GEEK Fest taking place in Kent. Price includes transport by train and entrance fee. Bring a packed lunch!

Football

Playing football. Bring a drink!

Winter Sports

Travelling to Kent, we'll have an afternoon having a dry slope skiing lesson (if you have skiing experience, you can get a pass to their 700m long slope instead) before having fun on their Sno-Tubing viper run and then trying their toboggan run which is one of the longest in the UK. Price includes transport by minibus to and from the venue.

Chicksands Cycling

A whole day at Chicksands bike park near Bedford. Travelling up by train then cycling the short distance to the park from Arseley station, members can spend the day exploring the woods which are full of trails and small (and much larger!) jumps to try. Members can be dropped to the site if they don't want to do the cycle there.

Cardboard sleepover

A chance to try building your own shelter out of cardboard and then sleepover on it! If the weather looks nice we'll do this at Tolmers. If the weather looks horrible, we'll go inside a building instead. Members will need to provide their own cardboard. We will also play games during the evening and have some free time as well. Evening meal and breakfast included in the price.

Community Litter Pick

We expect all members to do some community service each year. If you have not yet done some, please come and help us pick up litter! Bags, gloves and litter pickers provided, meet at Community Centre. Parents welcome to help.

Derbyshire Adventure Trip

An action packed trip which will involve some climbing (hopefully on real rock or inside if weather is dodgy) abseiling off a 100 foot bridge, a session at a swimming pool with flumes, wave machine etc and a 10 mile Quad Trek. We will be staying overnight in a bunkhouse, so no camping!

Phasels Adventure Day

We have booked an action packed day at Phasels Wood Campsite to keep you occupied! Activities (none of which are compulsory) include cresta run, potholing, archery, crate stacking, playing games such as manhunt and capture the flag and free time in the fields and the woods. We have a room booked for storing bags etc during the day - you will need to bring packed lunch and a drink. If any parents are free to help with transport that would be amazing!

Flowriding

A session on the flowrider near Bedford - effectively indoor surfing. Will you be able to stand up? Transport provided.
